

## ***Myers for Mayor 2018***

Dear Contributors,

I hope this letter finds you well. Perhaps you may have heard that I am running for mayor of Inglewood. This is an exciting and challenging road I've chosen; but I believe Inglewood deserves better and I'm committed to my city and my neighbors. Running a mayoral campaign takes resources. That's why I'm turning to the people like you, and inviting you to get involved in my campaign and to help make a difference.

First, a little background about me: I was born and raised in Hartford, CT and now live in Inglewood. I attended Hartford public schools. I could have been one of the statistics that many recite about our youth in Inglewood but a strong and loving family, along with my church, and my experience attending an HBCU Norfolk State University has given me a strong foundation to lead the city into a new era.

I have long worked for positive change in Inglewood; I've worked with youth and families to strengthen our community. I believe there are effective solutions that can solve problems, uplift our neighborhoods, create positive opportunities for our children and youth, and support the hardworking families of Inglewood. Furthermore, I believe that an educated workforce will attract businesses to our city and strengthen smaller businesses as well.

To succeed, I will need strong support from people who care about our city, be they residents or friends of our city. I continue to meet with neighbors and leaders across our great city to discuss the needs and hopes of the people. I am committed to doing something to change the course of our city. And when I put my mind to something, I work, tirelessly, until the job is done.

Your contribution, made payable to ***"Brandon George Myers Campaign"*** will give our race the momentum it needs. Your donation of \$100 or any amount will help me raise the initial funds to launch this campaign.

Our goal is to raise \$150,000 in the next two weeks. Please consider helping with this effort. I could really use your help! Please mail your contribution, along with the attached contribution form, which must be completed by each donor, to my Campaign Treasurer, Deidra Lewis, 811 Centinela Ave., Inglewood, CA 90302. If you have questions, ideas or wish to volunteer, please contact me via email at [brandonmyersforinglewood@gmail.com](mailto:brandonmyersforinglewood@gmail.com).

I look forward to thanking you, personally, for your support and inviting you to our celebration when we succeed!

Sincerely,

Brandon G. Myers

***Inglewood United***

Brandon Myers for Mayor 2018

Treasurer: Deidra Lewis

Deputy Treasurer: Cynthia Keith
